

## HOMEMADE PUPPET IDEAS

# STICK PUPPETS

### Materials

- Sticks from the garden
- OR paddle pop sticks
- OR Skewers
- Cardboard
- Markers or crayons
- Wool or string
- Other craft items
- Googly eyes
- Glue or sticky tape

### Steps

1. Decide what you want your puppet to look like.
2. Your puppet will have to be stuck to a stick, so make sure it is wide enough and strong enough to do this.
3. Draw your puppet on cardboard
4. If you would like extra features, try using craft materials to add to your puppet.
5. Once you have made you puppet you can glue or tape it onto your stick
6. Experiment with the different ways you can move the puppet.
7. Use it to play with or create a story using more than one puppet.

You can also build or make backgrounds for your puppet play.
