ALTERNATE ENDING

Imagine that you are the author of this book and you need to rewrite the end of the book. Think about how else the book that might change the whole idea of the story.

But why....

1. Think about a choice or an event that happened in the book you just read. Draw or write about it.
2. Draw/write about what happened because of this choice or event.

The event/choice

What happened because of this choice/event?

3. . Think of something new event/choice that could change what happens in the story.
4. Draw/write about what could happened because of this new choice or event

BeConWiz

A commitment to equitable and ethical practices

BeConWiz, will be referred to as BCW in this document.

BCW will now use 'they – themself' as a singular, gender-neutral pronoun in all material and resources generated. Just as the use of 'he – man' disappeared women's voice and identity, use of the binary 'she – he' and related pronouns has disappeared and rendered voiceless marginalised groups that do not identify with the 'he –she' pronouns. Until some wider grammatical agreement has been reached about what pronouns will be used to embrace the diversity of gender experience, in text we will use 'they – themself' in our materials. Given that words/language create reality, using language that is acknowledging and inclusive of all people who identify across a wide gender spectrum I is an issue of power, politics, respect and visibility.
