

Players

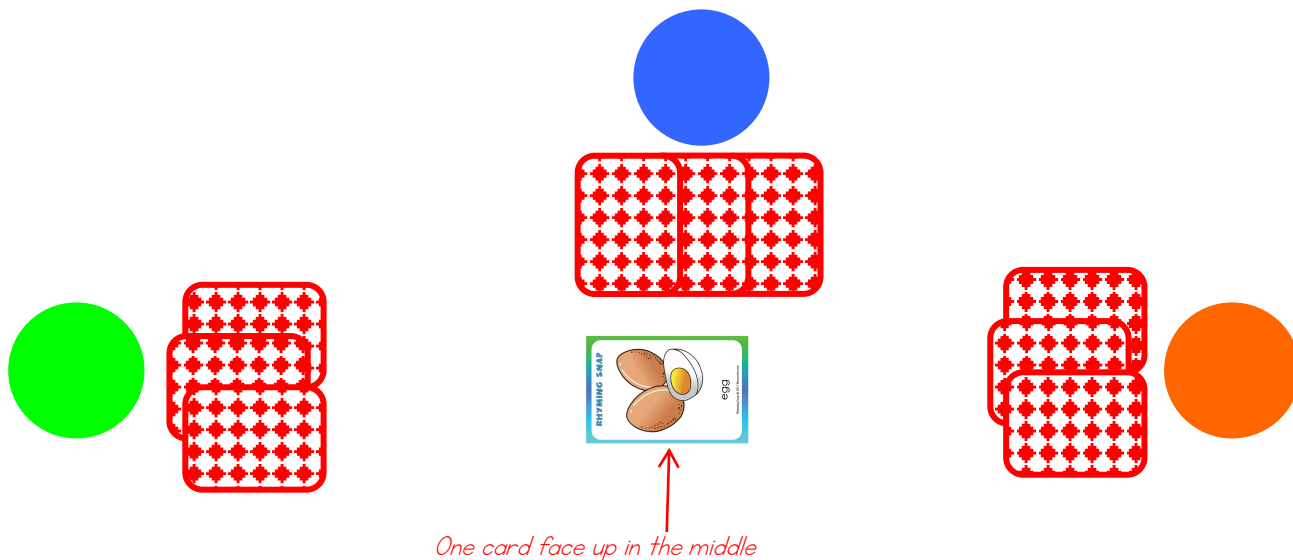

Shuffle the cards

Share all the cards out face down between the players.

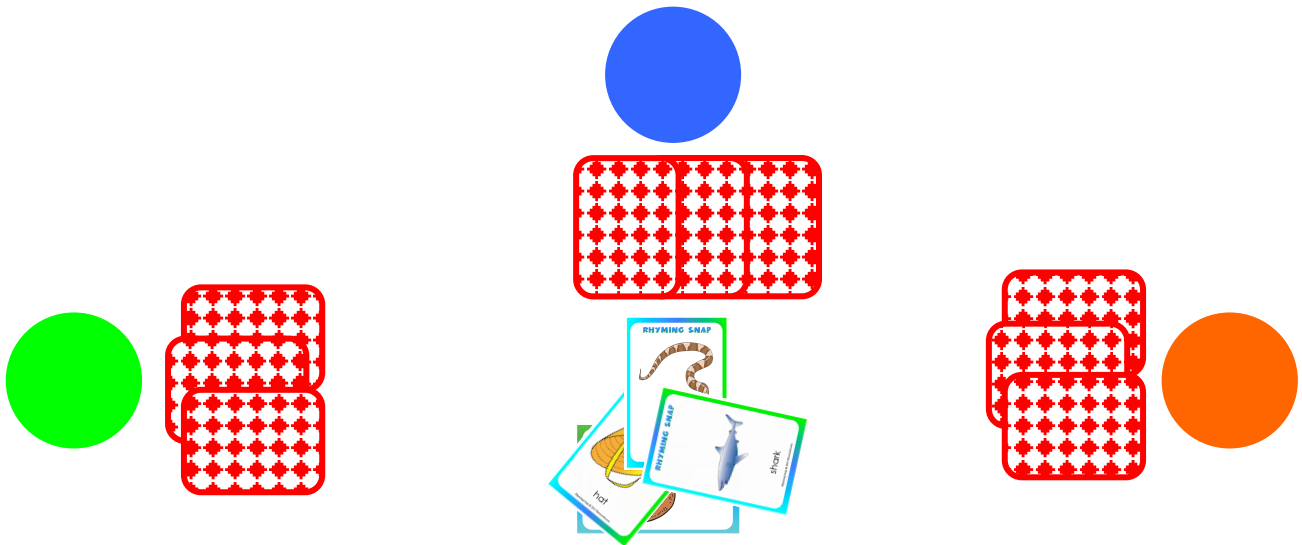

Players cannot look at the cards.

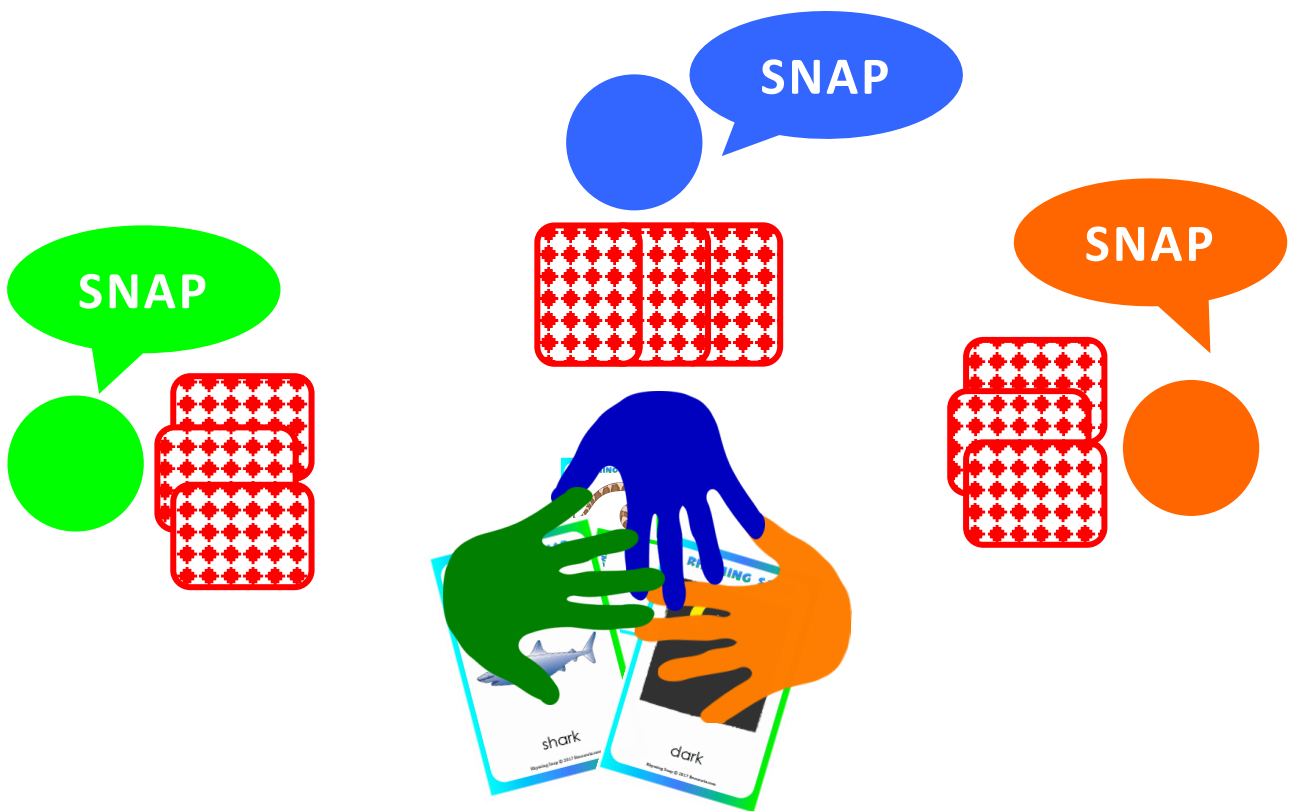

4. Decide which player will go first.
5. The first player puts one card down face up in the middle

Snap Rules

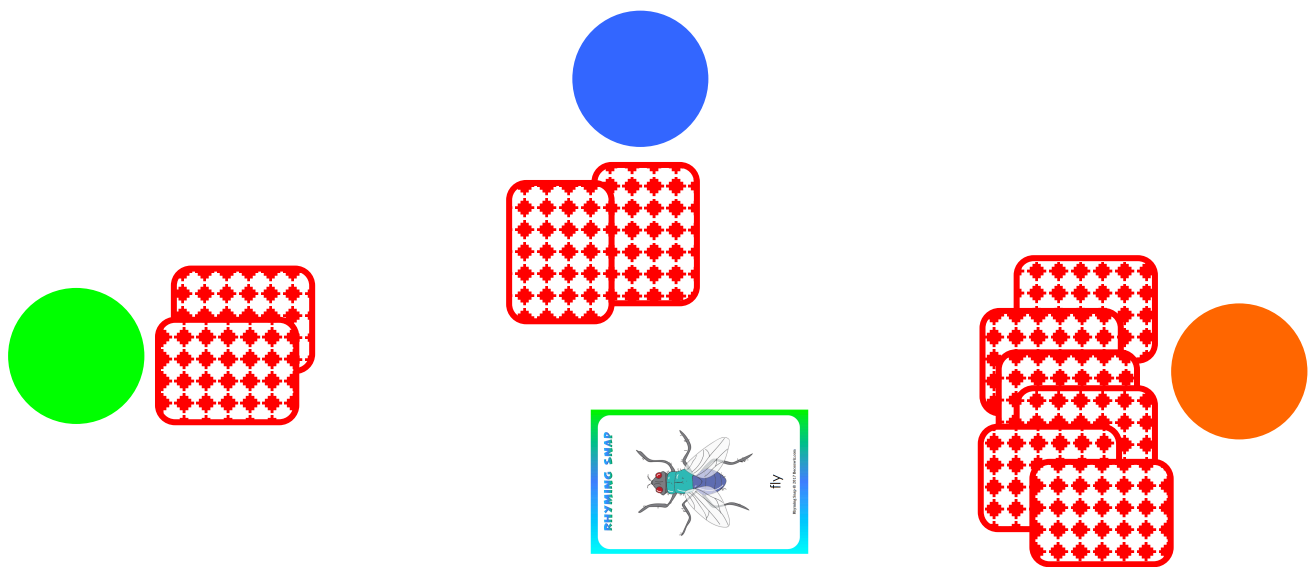

4. Each player takes it in turn to place a new card face up.

7. If two cards are placed on top of one another that rhyme, the players need to push their hands down on the cards and call out "SNAP".

8. The player whose hand touches the cards first is the winner and collects that pile of cards.

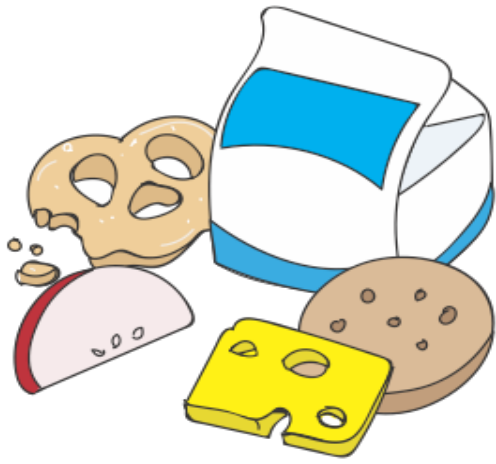

The player who won the last hand (the orange player) starts the game again by turning over one of their cards face up in the middle.

9. Play continues and repeats with players snapping on the pile when a rhyming set of pictures is seen.

10. When a player has used up all the cards in their hand, they are out. Play continues until only one player has all the cards.

BeConWiz's commitment to equitable and ethical practices

BeConWiz, will be referred to as BCW in this document.

BCW will now use 'they - themselves' as a singular, gender-neutral pronoun in all material and resources generated. Just as the use of 'he - man' disappeared women's voice and identity, use of the binary 'she - he' and related pronouns has disappeared and rendered voiceless marginalised groups that do not identify with the 'he -she' pronouns. Until some wider grammatical agreement has been reached about what pronouns will be used to embrace the diversity of gender experience, in text we will use 'they - themselves' in our materials. Given that words/language create reality, using language that is acknowledging and inclusive of all people who identify across a wide gender spectrum is an issue of power, politics, respect and visibility.
