BeConWiz's commitment to equitable and ethical practices

BeConWiz, will be referred to as BCW in this document.

We at BeConWiz, acknowledge the Traditional Custodians of the lands on which we work and live throughout Australia and recognise their continuing connection to land, waters and culture. We pay our respects to their Elders past, present and emerging.

BCW is committed to creating a safe and welcoming environment that embraces all backgrounds, cultures, sexualities, genders and abilities.'

BCW will now use 'they - themselves' as a singular, gender-neutral pronoun in all material and resources generated. Just as the use of 'he - man' disappeared women's voice and identity, use of the binary 'she - he' and related pronouns has disappeared and rendered voiceless marginalised groups that do not identify with the 'he -she' pronouns. Until some wider grammatical agreement has been reached about what pronouns will be used to embrace the diversity of gender experience, in text we will use 'they - themselves' in our materials. Given that words/language create reality, using language that is acknowledging and inclusive of all people who identify across a wide gender spectrum is an issue of power, politics, respect and visibility.
